Dear Mr. Giordani:

The Defense Logistics Agency, through the Defense General Supply Center (DGSC), has established three new National Stock Numbers (NSNs) in Federal Supply Class (FSC) 9150 for MILITEC-I. These are now available to the Military Services for weapons and machine shop applications.

Further, for other Department of Defense activities, other Federal Government agencies, and state and local law enforcement agencies, DGSC will offer the above-mentioned items, as well as the larger sizes of MILITEC-I, listed in FSC 6850. The following is a list of NSNs for your products:

<u>Product</u>	<u>Size</u>	<u>National Stock Number</u>	<u>Quantity</u>
MILITEC-I	1/4 oz	9150-01-415-9111	Box of 200 bottles
MILITEC-I	1 oz	9150-01-415-9112	Box of 100 bottles
MILITEC-I	4 oz	9150-01-415-9114	Box of 12 bottles
MILITEC-I	16 oz	6850-01-378-3118	Box of 12 bottles
MILITEC-I	1 gal	6850-01-378-3151	Container
MILITEC-I	5 gal	6850-01-378-4186	Container
MILITEC-I	50 gal	6850-01-378-4297	Drum

We trust this information is helpful to you.

Sincerely,
